**Dear Learner,**

Welcome to Odisha State Open University, Sambalpur.

University is established in 2015 and has completed its four years in June 2019. We will be offering only Diploma and Certificate Programmes in the January session 2020 with an objective to increase employability skills of the learners in various Undergraduate and Postgraduate streams. The courses offered are skill based which will be of great value for the job seekers and also for those who want to enhance their skills while working in a job as an additive advantage.

In the current academic session our admission figures has increased three-fold due to the introduction of new postgraduate and undergraduate programmes. There are 12600 learners enrolled this year as compared to 3865 last year. This Open University has the potential for massive increase in enrolment in the coming years. We have succeeded in laying a solid foundation for this university with four cardinal principles namely, equity, access, quality and ICT. Two new trends are worth highlighting here: Rural representation is three-fourth of our total admission figures and female learners are outnumbering their male counterparts in registration for degree programmes. Our vision and mission is reaching the unreached.

University Grants Commission (UGC) has given approval to OSOU to offer 26 Bachelor's and Master's degree programme from the academic session 2018-19. UGC approval is for the next five years.

During the course of study you will be exposed to technology supported learning methods. E-library facilities shall be made available. E-content shall be uploaded on the OSOU web portal. Important information shall be communicated to you either through SMS or through other social media.

For speedy redressal of your grievances please use the online Greivance Redressal portal of the university.

Wish you all the very best.
