

SUMMER PROGRAMME IN COMUNICATIVE ENGLISH AND SOFT SKILLS

Programme Description:

This programme aims to increase learner's soft skills so as to develop attributes that enhance an individual's interactions, earning power, academic empowerment and job performance. This short module on Communicative English has been designed to give the learners both the tools and techniques they require to improve their communication skills in English, meet the challenges in the diverse communicative contexts in personal and professional life, brighten their career prospects and enhance their employability.

Learning Objectives

The objective of the programme is to inculcate potential skills in the learners to prepare them to deal with the external world in a collaborative manner, communicate effectively, take initiative, solve problems, and demonstrate a positive work ethic so as to hold a good impression and positive impact. In the current job market all the hiring organizations, is keenly looking forward to a distinct kind of skill in its potential employees, besides, technical skills. Whatsoever role you may be looking forward in your organization, possessing strong soft skills can put you a step ahead in the competition and make you a true professional.

Learning Outcomes:

A practical point of view of work and work desires

- communicate clearly and effectively in English by being able to send and receive messages, understand and interpret them
- identify barriers or roadblocks to communication and learn the strategies to handle them
- To create critical thinking abilities
- To direct learners in settling on proper and capable alternatives.
- To make a want to satisfy individual objectives
- To to give each student a realistic perspective of work and work expectations, to help formulate problem solving skills, to guide students in making appropriate and responsible decisions, to create a desire to fulfill individual goals, and to educate students about unproductive thinking, self-defeating emotional impulses, and self-defeating behaviors.
